Graz University of Technology / Rechbauerstraße 12 / Lecture hall I

10th Commercial Vehicle Workshop

Main Topics:

- Brake systems for commercial vehicles
- CO2-friendly long-distance freight transport
- Innovative vehicles, drive systems and components
- Driver assistance systems and automation
- Passenger and road user safety
- E/E systems and high-voltage integration in commercial vehicles
- Non-exhaust emissions
- Simulation and development methods for commercial vehicles

Programme Committee:

- Dipl.-Ing. K.-D. Diepold, *Magirus GmbH, Ulm*
- Prof. Dr. P. Fischer, *Inst. of Automotive Engineering, TU Graz (Chair)*
- Dr.-Ing. Rolf Döbereiner, *AVL LIST GmbH, Graz*
- Prof. Dr. W. Hirschberg, *Inst. of Automotive Engineering, TU Graz (Chair)*
- Prof. Dr. Stefan Hausberger, *Institute of Thermodynamics and Sustainable Propulsion Systems, TU Graz*
- Dr.techn. Dipl.-Ing. Antonius Kies, *SCANIA AB*
- Prof. Dr. A. Lion, *Bundeswehr University Munich*
- Dr. Karl Masser, *Magna Powertrain, Engin. Center Steyr GmbH & Co KG*
- Dipl.-Ing. Gregor Schwarz, *Rosenbauer International AG, Leonding*
- Dipl.-Ing. Martin Ackerl, *Daimler Truck AG, Stuttgart*

Conference Proceedings:

There is the option of including either presentation slides or a peer-reviewed scientific paper in the conference proceedings. Please indicate which option you choose when submitting the abstract.

The abstract should contain:

Experts who wish to contribute to the workshop are kindly invited to submit an abstract:

- Title of the paper
- Author(s) (name, personal titles, address, phone-numbers, e-mail address of the author and the co-authors)
- Abstract not longer than a single typewritten page
- Conference proceedings: information whether peer-reviewed paper or presentation slides will be submitted

Oral Presentation:

For the oral presentation of your contribution there are 20 minutes with subsequent discussion of 10 minutes at your disposal.

Presentation materials please in English, presentation language English.

Deadlines:

Submission of abstract **Dec 17 2023**

Notification of authors about acceptance of their papers **Jan 21 2024**

Optional: Submission of paper ready for review **Feb 28 2024**

Or: Delivery of printable presentation on data file **Apr 28 2024**
